

The holiday was a very busy time for our touring Football, Hockey and Rugby First Teams, who all participated in tournaments in South Africa. The teams did exceptionally well and thanks to all parents who got themselves involved and all staff who invested a great deal of time in preparation and supervision.

St George's College Dragons SA Rugby Touring Squad.

St George's College Saints SA Hockey Touring Squad.

We held the very successful U14, U15 and U16 Rugby Tournament at the College. Again, all our teams performed exceptionally well and thanks again to all parents and staff who were involved in this tournament, which has quickly gained a very positive reputation.

The U14, U15 and U16 Rugby Tournament.

Form Four students, accompanied by two members of staff, attended a Business Studies Course in Dubai. By all accounts this was a great success.

Over the final weekend of the holidays, our senior boys' teams in our major winter sports participated in the St John's College Tournament. Again, some excellent results, all of which have been recorded in the Saints Weekly.

We have been notified by Cambridge Examinations that two of our students will receive Cambridge awards. Aikunda Kaale (OG) Top in Zimbabwe A Level

Maths and Physics, and Mutsa Mupanga (U6) Top in Zimbabwe AS Design and Technology and Top Ten in the world. Congratulations to both students, their families and teaching staff involved in these great achievements.

Aikunda Kaale

Mutsa Mupanga

New times for One Way traffic have been enforced and this now starts at 6:15am. The 6.45am cut-off time was becoming dangerous, as more parents are now dropping their sons and daughters off early due to traffic congestion around the city.

We have also initiated a senior staff "sweep" of the campus at 6pm each evening. Parents have been requested to have their sons/daughters off campus by this time unless they are involved in a function at the school or, as in some instances, travelling teams that might be arriving back at this time. This is purely for safeguarding concerns.

There were some very good sporting results against St John's College. All games were keenly contested and I was particularly impressed with the sportsmanship and discipline of both our players and our support.

The students excelled again over the weekend of the 24th/25th May. Eleven of our boys were selected for national representation in rugby at U17 and U18 level, whilst our First XI Football Team were totally dominant in the St George's Hammer and Tongues Football Tournament, beating Prince Edward in the final and not conceding a goal throughout the two-day Tournament. Thank you to all involved, including our parents who were tremendous supporters at the event.

We look forward to similar performances and great support in the weeks ahead.

J Farrelly
Headmaster
