ST JOHN'S COLLEGE PURE DROP DERBY WEEK

Report by R. Shenje ~ Our first game was against Falcon College which we lost 31-19. The boys started off strong scoring first, but our own mistakes as well as our indiscipline ended up costing us the game, which led to Falcon putting up 12 points just off penalty kicks.

Our second was against CBC where we came out with a convincing win of 54-0. The boys played well showcasing good retention skills, which made the opposition struggle to keep up with the play. Throughout this festival notable performances came from S. Nyikavaranda and K. Ndro.

vs St David's	Won 5-0

Report by S. Muchatukwa~On the 27th of march the first team hockey boys left for Krugersdorp high school located in eastern Gauteng. The SAINTS had a busy and productive tour where we took part in the Best of the West Easter festival. They played a total of 8 games playing 3 games back to back on two of the days. We only lost one game which was a rather nail biting game to Jeppe 3-2. The team showed immense determination and work ethic throughout the tour.

Report by C.Zvirevo

vs CBC 3-1 win

Our team showcased exceptional skill and determination, resulting in a well-deserved victory. The first half was particularly tight, with neither side able to gain a significant advantage. Despite the competition, our boys remained focused and determined. As the second half began, our team's hard work paid off, and we managed to break through CBC's defense. With strategic plays and organized defence, our players gained control of the game, creating numerous scoring opportunities. We displayed excellent teamwork, passing the ball effectively and capitalizing on their chances. It was a deserved win, highlighting the hard work and commitment of our players. We created numerous chances but the only scored 3. We just need to work on our finishing.

vs Falcon 2-1 win

The second game was a tough well-fought game resulting in a 2-1 win. Falcon managed to have a chance in the first few minutes of the game but were unable to finish, unfortunately for them after their missed chance, our team took total control of the game. We created many chances but failed to punish. In the second half we got an early corner and scored the first goal of the game. Moments later Falcon received a penalty but it was saved and we immediately scored our second goal. Overall it wasn't our best performance but a well-deserved win

vs St. Johns 2-1 loss

Our final game resulted in an unfortunate defeat. The first half started well with an early goal and we controlled the game well. With well-coordinated attacks we created many chances to increase our lead but were unable to finish. At the end of the first half St John's managed to equalize from a miracle goal. The second half our level dropped off and we lost the control which we once had in the first half. St John's managed to score the winner from a lapse in concentration from the defence and unfortunately, we didn't recover. Overall it was a close game and we're looking forward to our fixture in the coming weeks.
